## WOLVERHAMPTON CITY OF YOUTH CULTURE!

Wolverhampton Arts Centre is buzzing to be leading the *Arts Council England's Place Partnership* project: **Wolverhampton City of Youth Culture**. We've teamed up with some fantastic organisations – Gazebo Theatre in Education, LearnPlay Foundation, Wolverhampton Music Service, University of Wolverhampton, plus the team behind the Same Difference Festival – to give YOU the chance to shape the city's creative vibe.

One of the coolest bits? The Visual Arts Trail. Right now, 3 amazing pieces are already brightening up the city – and there are 6 more on the way in the next 6 months.

**ARE YOU AGED 11 - 16?**

Got an eye for art, or just want to leave your mark on the city? Keep your eyes peeled for our workshops where YOU can help create the next piece in the trail.
